Dear Families,

Safeguarding: Child and Parent Voice

We have recently had some group times with the children about 'who keeps us safe'. We have discussed who keeps us safe at home, in our community and at school. These were some of their responses:

Daddies and Mummies keep us safe at home.

Teachers keep us safe at Nursery.

Teachers help us with everything.

They help me when I hurt and wipe my knee.

If there is a fire teachers help to save us.

If you have any comments or additional contributions personally or those of which your child has discussed with you, please send these to headteacher@freshfield.stockport.sch.uk, or feel free to contact us on 0161 442 6944.

Thank you for your support,

Kat Walsh and Jenny Martin
