

Dear Families,

18.11.22

### **Zoo Lab**

We have booked for Zoo Lab to come in and run sessions for the children on Friday 2<sup>nd</sup> December and Monday 5<sup>th</sup> December. Your child will be allocated a session on a day that they attend nursery.

**“For over 20 years, ZooLab has amazed, educated and inspired through our ethical and engaging hands-on animal encounters.”**

The children will be introduced to various animals through the story of ‘The Last Present’, making it a lovely, festive experience too!

**“Join ZooLab on a festive adventure told through storytelling, rhyme, and animal encounters!”**

**In this yuletide story, we join Father Christmas as he searches for the recipient of undelivered presents at the bottom of his sack. As he retraces his route to check everyone has a gift, we visit the homes of our animal friends to see their habitats and how they spend Christmas.”**

### **Allergies and Permissions**

Please ensure you have completed the form on ParentMail to give permission for your child to attend and inform us of any allergies to animals or creatures. Thank you.

### **Voluntary Contribution**

We are using the generous fundraising total of £228 from the Autumn Treasure Hunt to pay towards these sessions, and will be digging into school fund for the remaining cost. We would like to ask for a voluntary contribution of £3.50 per child to go towards the final cost of the experience, which can be made payable through ParentMail. Please be aware that this is voluntary, and is a guideline contribution charge – feel free to donate any amount!

Thank you, as always, for your ongoing support.

Kind regards,

Kat Walsh and Jenny Martin (Co-Headteachers)
