Dear Parents and Carers

### **Curriculum Enhancements and Improvements**

We currently have planned many exciting developments to enhance our already excellent curriculum and environment for the children.

We are so grateful for parents' contributions to our school fund, which pays for our weekly fruit order together with birthday presents for the children. If any money is left over, we use this for equipment in the nursery.

As you know, costs are rising so we have decided to create an Amazon Wishlist for parents and the community to view, if anyone would like to make a donation to school they can select an item from the list and this will sent to school as a donation.

If you would like to participate and purchase an item for school, please see the link below to the list:

<https://amzn.eu/hoHCgIE>

Thank you so much for your continued support.

Kind regards

Mrs Jenny Martin and Mrs Liz Richardson  
Co-Headteachers
