Dear Parents and Carers

School Fund Payments from September 2023

We are writing to let you know that we have made the decision, with the approval of Governors, to increase our voluntary school fund amount from £2.50 per week to £2.75 per week.

As you know prices for both food and non-food items have recently increased significantly. We use school fund donations to pay for our weekly fruit for the children's snacks, together with other items such as birthday cakes, birthday presents and additional items to enhance our curriculum.

We hope you will be able to continue to support our school fund from September and thank you for your continued support.

Kind regards

Mrs Jenny Martin and Mrs Liz Richardson
