Dear Parents and carers

Freshfield Nursery School and Tesco Stronger Starts – Exciting News!

We have been notified that the school is a finalist in the Tesco Stronger Starts funding! This means our school will be featured in several Tesco stores across Manchester from the beginning of April, where shoppers can vote for their favourite good cause.

If you are unaware of these in store voting procedures, it works like this – with any purchase in store you can pick up a token and place this token in the clear voting boxes usually found near the entrances/exits to the stores. There will be one clearly labelled **Freshfield Nursery School – outdoor play, health and wellbeing**.

If we are successful and win, we could be awarded a grant of up to £1500. Of course, we would be thrilled by this in these times of stretched school budgets and we value any support you can give. Perhaps if you are shopping in Tesco and vote for Freshfield, you could post a photo on social media and tag this to our website/social media or share with work colleagues, friends and family.

Please see below the list of the stores our school will be featured in. Please share this with people you know who perhaps work in Manchester or visit regularly.
