

Summer Term 2025

Dear Parents and Carers

Staffing at Freshfield during the summer term

We hope you all enjoyed the Easter break.

We would like to update you with the staffing at Freshfield for the summer term.

- Unfortunately, Miss Simcock is currently absent and is being covered by Mrs Lopez Thomas who is an experienced Early Years' teacher. During this period Mrs Lopez Thomas will assume a part time teaching commitment and will liaise with Mrs Muncaster for planning the children's activities. This will ensure continuity of your children's learning over the next few weeks. I will also continue to place additional support into the nursery to ensure all of the children continue to make effective progress.
- Miss Toombs has recently returned to nursery following her maternity leave.
- Mrs Jardine has moved into the 3-4-year old provision for the summer term with the children who have moved up from the 2-year provision, once they turned 3 years old.
- Mrs Hayward and Mrs Percival will continue to work in the 3-4-year-old provision for the whole of the summer term.

I appreciate your support with this matter and if you wish to discuss this matter further please do not hesitate to contact me.

Thanks for your continued support.

Kind regards

K Muncaster

Katherine Muncaster
Executive Headteacher

Freshfield Nursery School, 42 Mauldeth Road, Heaton Mersey, Stockport, SK4 3NB.
