Dear Parents and Carers,

At Freshfield Nursery, we love making the most of every day with plenty of outdoor play, messy arts and crafts, and active games! To help your little ones explore safely and comfortably, we kindly ask for your support with what they wear to nursery.

Sensible Shoes: Please send your child in sturdy, closed-toe shoes (like trainers or shoes with Velcro straps). These are perfect for running, climbing, and keeping little feet safe. Please avoid flip-flops, crocs, wellies or open-toed sandals, as they can cause trips and slips. We will change the children into wellies when it is wet and muddy outside.

Play-Ready Clothes: We recommend clothes that you don't mind getting a little dirty! Elastic waistbands are fantastic for helping children develop independence when using the toilet. Please avoid large, long dresses, as they can cause trips and slips and stop the children from being able to climb or ride bikes and scooters.

Being Prepared: Please dress for the weather and always ensure they have a change of clothes in their bag, just in case.

Thank you so much for helping us keep your children safe, comfortable, and ready for adventure!

Kind regards,

K Edmundson
