

What have we been up to this week?

2nd February 2018

Dear Parents/Carers

It has been another really busy week in nursery and we are still completing lots of activities inspired by the children's love of pirates and Peter Pan.

We have been making up lots of stories and some of us have even created our own books. We have also illustrated our stories to make them like 'real books' we read. Some of us have used story dice or cards to think of our ideas and help us remember the sequence of our stories.

Some of us noticed that in the story of Peter Pan, Wendy sews Peter Pan's shadow. We decided that we would like to have a go at sewing with large needles and thread. It was quite tricky but we are going to keep practising!

In our home corner we made a shop and thought of lots of things to sell in it. We made labels for the items and found money and a till to make sure everyone paid for their purchases.

Last week silver group very kindly made the children some flapjack. One of us thought it would be a really good idea (and very kind) to make them a treat to say thank you, so we made some cookies for them. This week silver group have made some bread too. We are all getting very good at baking!

We have also been busy making an ice-cream parlour in the sand, designing lots of incredible buildings with various construction materials and dancing to lots of different types of music. We have bought some new resources recently and have begun using these around the nursery. We have been especially interested in, and made some incredible models, with the new Kid K'nex set. We are going to buy another set because we have enjoyed it that much!

Thank you very much to everyone who has taken part in our home challenges. We have displayed them and they look amazing. This week we know you will be really busy bird watching. Have fun! Please remember to share some Wow! moments on tapestry if you get chance.

Thank you for your continued support.
