

What have we been up to this week?

22/06/2018

Dear Parents/Carers

We have been so busy since we came back from our half term break. This week we have spent lots of time thinking about our new theme 'journeys'. We have already, with the help of the children, created a wonderful aeroplane in our role play area.

The children have enjoyed pretending to travel to a range of different holiday destinations and pretended to order a range of different food and drink from the flight attendants. Some children decided to be passengers and others decided to be flight attendants, pilots or co-pilots. They have also enjoyed looking through a range of holiday magazines to help them decide their flight destinations.

We have also taken part in our very special 'Art Project' this week. All the children have looked at a range of different artists' work including Van Gogh and Tingatinga Arts. We look forward to sharing the children's artwork at our special event taking place next week.

We have been very lucky this week to have not one visitor but two visitors to nursery. We would like to say a big thank you to Mrs El-Hajii who very kindly shared a special story about Eid Mubarak. St John's Primary School Choir have also visited nursery this week and performed a lovely concert for some of the children. They will be back again next week with their steel band. We can't wait!

In the outdoor area we have been busy learning about the World Cup! The children have been finding out about which countries are part of the World Cup and have been learning about the rules of football.

Thank you for your continued support.
