

Proposed changes to the Stockport published term dates for the academic year 2018/2019

Dear Parent/Carer,

I would like to inform you of a proposed change to the published term dates for next academic year. At present the 2018-2019 term dates (which can be found online at <https://www.stockport.gov.uk/school-term-dates/2018-2019-term-dates>) show that the autumn term ends on **Wednesday 19th December 2018** and the spring term starts on **Thursday 3rd January 2019**.

In agreement with our governing body, the proposed dates for the academic year 2018-2019 would be as follows:

End of autumn term - **Friday 21st December 2018**

Start of spring term - **Monday 7th January 2019**

These changes will bring Freshfield Nursery School in line with Priestnall School and all local primary schools, who have also agreed with their governors to the same proposed changes.

Please note that individual schools would agree their own INSET days for 2018–2019.

If any families have already booked holidays for the 20th/21st December 2018, please contact your child's receiving school once you have a place confirmed or Freshfield school office if your child is remaining with us.

Thank you for your continued support

Jenny Martin (Headteacher)
