

Parking Concerns

9th February 2018

Dear Parents/Carers

We have recently had a number of complaints from local residents in relation to parking. The issues are occurring mainly during our nursery drop off and pick up times. Whilst we appreciate that there is an on-going issue with parking in the area, local residents have asked that we please support them by doing the following:

- ensuring driveways are not blocked even if you feel you will only be a short time
- parking a safe distance away from junctions
- ensuring there is a large enough space left on the pavement for pedestrians to safely walk past, also taking into account that some of these families will have large buggies.

We would be really grateful if you could be mindful of these when dropping off and picking up your children.

Thank you for your continued and valued support.

Mrs Jenny Martin
Headteacher
