Our stay and play sessions are a wonderful opportunity for you to see, first hand, some of the amazing activities your children take part in during their time in nursery. If you are unable to attend we would love to welcome grandparents or other close relatives to the sessions.

Due to the large numbers of children attending our nursery, and the maximum capacity we have to adhere to in the Church Hall, each group of children will be taking part in one concert. This is the case for all groups, including all 30 hours children.

**As both concerts are in the afternoon, we would like to offer morning children the opportunity to attend nursery for the full day on the day of the concert. Alternatively the children could attend for the afternoon session and start at a time that suits you. We would be grateful if you could let Mrs Evans know your preference.**
