

Personalised Christmas Items from the Cauliflower Group

14th October 2019

Dear Parents/Carers

We would like to offer you the opportunity to create your very own Christmas cards, gift tags etc. with your child. The company 'Cauliflower Group' provide templates for you to add your child's art work to, that can then be transferred onto the various Christmassy items.

On Wednesday 16th we will be sending home the artwork form for you to add your designs to. This can then be returned to school ready for the company to collect and begin creating your personalised items. You will also receive a guide explaining the process, a list of the items you can choose from and the associated cost for these.

The nursery is also using this as a fundraising opportunity and will receive the following amount per item;

- £1.00 per pack of cards
- £1.50 per mug
- £1.00 for wrapping paper and gift tags
- £0.50 for packs of gift labels.

Wednesday 16th October – information will be sent home along with the sheets to add artwork to

Wednesday 6th November – Please return any completed artwork to school

We have been informed by the company that all personalised items will be delivered to school at the beginning of December. We will, of course, send a message to you as soon as they arrive.

All payments can be made directly to the company; details of which are on the artwork form.

Thank you for your continued support.

Kind regards

The Freshfield Team
