

Identified planned spending for EYPP funding – 2019-2020

Term	Number of eligible children	EYPP funding received
Autumn 2019	4	£445.20
Spring 2020	6	Estimated £445.20
Summer 2020	TBC	TBC

Support foci identified from baseline assessments	Desired impact of spending <i>(linked to - Development matters/Involvement and well-being scales/characteristics of effective learning)</i>
Language development	Accelerated progress in communication and language
Listening and attention	Listening and attention skills are improved and more in line with non EYPP children
Increased challenge for all children	Accelerated progress in all areas of learning, with outcomes are more in line with non EYPP children
Well-being and emotional resilience/development of emotional literacy	Increased levels of well-being and confidence to take risks and 'have a go'. Children have an increased understanding of their emotional needs and greater levels of resilience.

How our funding has or will be used	Cost to school
Small group support – Nurture group	£320 (contribution to TA salary)
Designated staff member to support language development	£320 (contribution to group leader salary)
Additional hours where occasionally required	£4.30 per hour
Extended care is paid for where required	£22 per session (per child)
Breakfast club/After school club is paid for where required	£4.00/£6.00 per session
<i>Please note that these figures are higher than the income at the current time but take into account projected income.</i>
