September 2020

- The children have had the most amazing start or return to nursery. We are all so proud of them and are looking forward to a wonderful year with them all.
- Thank you to all parents and carers for your support during our very different induction process.

Flexible **Start** and **Finish** Times from Monday 14th September

- **Breakfast Club** - drop off between 8.00 am and 8.15 am at your usual entrance
- **Flexible start** - 8.25 am - 9.00 am daily
- **Flexible finish time** - (2.30 finishers) between 2.25 pm and 2.45 pm
- **Flexible finish time** - (3.30 finishers) between 3.25 pm and 3.40 pm

In order to reduce the number of adults waiting at the front of the school, please try not to arrive at the school gate before the earliest finish time. Thank you for your support with this.

Entry to School - New One Way System

Please use the double gates to ENTER school (When there is no member of staff at the gate, please ensure that you close it behind you and secure the bolt)

Please use the single gate to EXIT the school grounds (When there is no member of staff at the exit gate, please ensure that you secure the bolt and also place the metal hook over the top of the gate)

Please pass this information on to any other adult that will collect your child/children. Thank you

Absence/Illness

Please remember to let us know, using any of the following, if your child will be absent from school. Thank you.

Changing your emergency contact phone numbers?

These can now be changed using SIMS Parent App Lite.

- It is important that we have up to date contact numbers. Please could you ensure that school has at least 2 but preferably three emergency contacts?
- Please ensure that at least one of the emergency contacts is contactable during your child's school hours, as we may need you to collect them.

Parking Reminder

- Unfortunately we **do not** have permission to park in the Church car park.
- Please be considerate to our neighbours if you need to park your car near Nursery.

- We love seeing what you've been up to at home
- It supports us in our assessments of your child/children
- Please share any WOW! moments with us too.

A Polite Reminder

Please remember to name all children's clothes, wellies, shoes, coats and lunchboxes as they can, despite our best efforts, get very muddled up.

School Fund

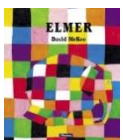

A huge thank you to everyone that has already contributed to our school fund.

We request a weekly voluntary contribution of £2.50 to support us to purchase:

A birthday cake and a small gift for your child.

Some special resources for school.

Thank you once again to all parents and carers for supporting us with our new style induction process.

The staff have really valued the photographs that have been sent in and all the information about the children's favourite things. Thank you also for taking the time to speak to group leaders before the holidays and also for responding to their Tapestry videos. With this communication and information,

the staff have been able to fully support your child/children at the start of a very unusual year.
