

"He really enjoys the daily set up, being given freedom to play outside when he wants and to focus on what he enjoys, he literally can't wait to get up in the morning to go and is very sad to be leaving. He has lots of happy memories of playing with his favourite friends and building with giant bricks and loves the tyre swing!"

"Strengthened her love of the outdoors - forest school is her absolute favourite and you have done so many special things."

"...has thrived at Freshfield. One area she always gets excited about is nature school: learning the 'respect position' near the fire and being allowed to help in areas which can often be deemed 'dangerous' has made her feel trusted, which builds confidence."

"Skills to get along with others, phrases to use to explain how you feel have been explicitly taught and benefit her."

"...has benefitted from having a strong relationship with his class teacher and having his emotional vocabulary nurtured and feelings understood. I feel Freshfield has been proactive in thinking about how to support (him) to build his confidence in big group settings and transitions. Attitudes - transparency/openness, caring, nurturing."

"...has come on leaps since starting Freshfield. She has made lots of new friends. Her communication and social skills have improved immensely since September and she has learnt so much to help her through to Reception."
