What Do I Need?

What Do I Need?

A labelled waterproof suit/waterproof trousers and jacket and wellies.

Two spare pairs of clothes in a labelled bag.

Velcro/slip on shoes

A labelled lunchbox

A healthy snack

Labelled weather appropriate clothing e.g. a sun hat, a winter hat and gloves.

Why Do I Need This?

We play outdoors in all weathers. A waterproof suit ensures that I stay clean and dry when it is wet and muddy outside.

Freshfield is full of exciting activities. These activities include paint, water play and outdoor play. I may sometimes get wet or dirty whilst learning at nursery and may need to get changed.

Velcro and slip on shoes support my independence as I can have a go at putting them on all by myself.

So I can easily find my lunch at lunchtime. Sometimes more than one child may have the same lunchbox so it is important that my lunchbox is labelled.

I will need a healthy snack for snack time. This can be kept in my lunchbox.

We can choose outside in all weathers. In summer, a sunhat will protect my scalp from burning. In winter, a hat and gloves will help to keep me warm.
