

Eco Schools

- F** Fresh fruit and vegetables keep us healthy,
- R** Re-cycling our rubbish is cool,
- E** Energy saving devices,
- S** Storing rainwater gives our plants fuel.
- H** Houses for hedgehogs and minibeasts,
- F** Feet walking to nursery each day,
- I** Individuals picking up litter,
- E** Everyone helps in their own special way.
- L** Learning about other countries helps us to understand strangers
- D** Doing eco stuff is brilliant and saves our planet from dangers!

Eco Schools

- F Families** - We will encourage our families to be greener in their homes
- R Rubbish** - we will try to recycle paper and not waste it
- E Everybody** - Everybody should keep where we live tidy by picking up litter
- S Save** - Save petrol by walking to school and keeping fit
- H Health** - We will try and eat more healthily
- F Friends** - We will learn about our friends in other countries
- I Insects and wildlife** - encourage insects and wildlife to live in our garden
- E Energy** - use less energy and turn off computers when they are not being used
- L Lights** - We will turn off lights when leaving the room
- D Drips** - we will turn the tap off properly after washing our hands
