

Parents' Feedback

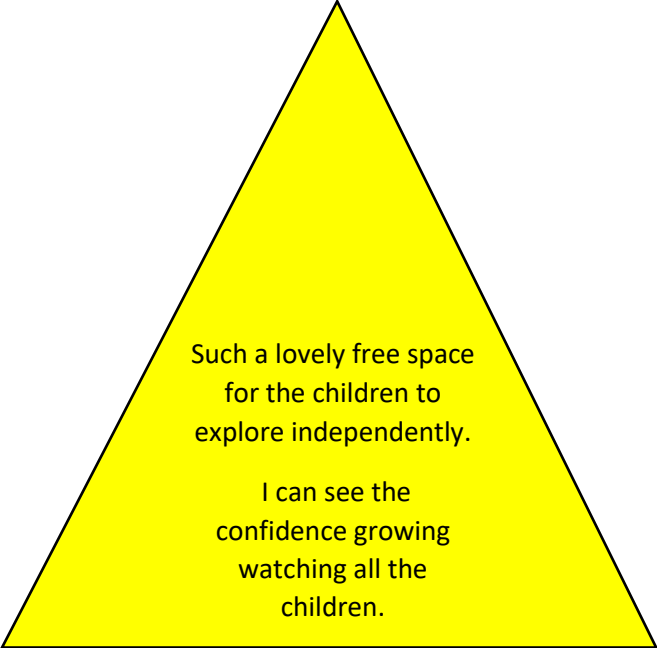

Stay and Play Sessions July 2023

Really lovely to see
what they get up to at
Freshfield

I love that Freshfield have given
parents the opportunity to have a
Stay & Play morning. My son is
always excited and loves sharing
his most favourite things such as
outside Nature School, playdo,
storytime, it's such a great morning
which I thoroughly enjoy too.

Such a lovely free space
for the children to
explore independently.

I can see the
confidence growing
watching all the
children.

Everything so nicely
organised I can't
expect anything
better

Lots of areas Indoor and outdoor to
explore fruit and vegetable's growing is
great.

Lovely environment all round my child
has loved Freshfield

Another amazing
Stay & Play.

Lovely to see Nature
School

Great Facilities, welcoming friendly environment.

Lots of good learning and play activities, especially love the
outdoor area and forest school
