School Uniform For All

We're launching a new scheme in partnership with The Cherry Tree Project to help more families access school uniforms and achieve our climate action goals. The scheme will provide year-round support for those who need uniforms; for children at all Stockport schools and of all ages.

To help get the scheme up and running we need you to donate your pre-loved uniforms (good condition only) to:

- Any of Stockport's 16 [libraries](#)
- Bredbury or Reddish Morrisons supermarkets
- Disability Stockport, 23 High Street, Stockport, SK1 1EG
- Age UK Stockport, Commonweal, 56 Wellington St, Stockport, SK1 3AQ
- Stockport Signpost for Carers, The Heatons Centre, Thornfield Road, Stockport, SK4 3LD
- Merseyway: a donation bin will be in place between 22 July and 5 August located outside Specsavers

Once we have your uniforms the new scheme will then get underway later in the year.
