

Dear Parents and Carers

September 2024

School fund Voluntary Contributions

Thank you so much to everyone who has already contributed to our school fund.

As you know, we ask if parents would be willing to contribute £3.00 per week towards our school fund. This voluntary contribution can be paid by cash/cheque/BACS or via a card payment through Parentmail.

How to use payments on IRIS Parentmail:

- Log in
- Click on the 3 lines at the top
- Click 'Payments'
- Click 'Shop' at the bottom of the screen

We use school fund money to pay for fruit in the nursery together with a cake and a present to give to each child on their birthday. If any money is left over, we save this up to buy valuable resources for the nursery. You may be interested to learn, we do not receive free fruit in early years' settings like the primary schools do.

We thought that we would share with you some of the improvements we have made using this funding this term.

We were thrilled to receive a donation at the end of July and we have purchased a petrol station/Car Wash for our rear outdoor play area. The children have really enjoyed stopping whilst on the bike track to fill up with petrol or give their bike a wash!

We are very appreciative of any contributions that we receive. For working parents/carers sometimes companies sponsor or make donations. If your work place might be willing to consider Freshfield by donating, please contact the school office.

In these times of budget cuts, your contributions are so very much appreciated.

Thank you for your continued support.

Kind regards

K Muncaster
