

Personalised Christmas Items from the Cauliflower Group

23rd September 2024

Dear Parents and Carers

We would like to offer you the opportunity to create your very own Christmas cards, gift tags etc. with your child. The company 'Cauliflower Group' provide templates for you to add your child's artwork to, that can then be transferred onto the various Christmassy items e.g. Mugs, Spiral Books, Gift Labels, Wrapping Paper and Christmas Cards.

On **Wednesday 25th September** we will be sending home the artwork form for you to add your designs to. This can then be returned to school ready for the company to collect and begin creating your personalised items. Within the artwork form you will find a guide explaining the process and a list of the items you can choose from and the associated cost for these.

PLEASE NOTE: IN ORDER TO TAKE PART IN THIS EVENT, PAYMENT IS MADE DIRECTLY TO shop.cauliflowergroup.co.uk AT THE TIME OF ORDERING.

The Nursery is also using this as a fundraising opportunity and will receive commission per item.

Wednesday 25th September – information will be sent home along with the sheets to add your child's artwork

Friday, 18th October – Last date for returning your artwork to school ready for us to send to the company

We have been informed by the company that all personalised items will be delivered to school at the beginning of December. We will, of course, send a message to you as soon as they arrive.

All payments are to be made directly to the company; details of which are on the artwork form.

Thank you for your continued support.

Kind regards

K Muncaster
