Sustrans Big Walk and Wheel 24 March- 4 April 2025

School are taking part in this event as part of our Eco Schools initiatives. We encourage, where possible, for everyone to come to school by walking, cycling, scooter etc. Sustrans Big Walk and Wheel is a great way to build physical activity in children's daily routine which is important for their physical health and mental wellbeing. Active school runs also help to reduce congestion and air pollution outside the school gate. A 2021 YouGov study showed nearly half of UK children worry about air pollution near their school. And that children thought active travel was the best away to bring down these pollution levels.

Please send your child with their Easter bonnet to wear during our Easter parade on Wednesday, 9th April at 9 am. Parents are invited to line our bike track to the rear of school and watch our parade, weather permitting. Kind regards
