Parents of 2-year provision children

Dear Parent and Carers

Uniform Supplies for Freshfield Nursery School – 2 Year Provision

We recently sent parents a survey regarding a proposal to change the 2-year provision uniform from purple to red to coordinate with the 3-4 nursery and save parents unnecessary additional costs. The result of the survey was that was unanimous to change to red.

This change will hopefully save parents money from buying 2 sets of uniform, currently purple in the 2-year provision and then red in 3-4 provision.

We have written to our uniform supplier, Triple S Heaton Moor Road, today to request this change, once their purple stock is used.

Of course, we wish to remind parents that the purple uniform will continue to be acceptable in both provisions. You don't need to go and buy new red coloured uniform. Please wait until it no longer fits your child.

If you have any queries please contact the school office admin@freshfield.stockport.sch.uk.

Thank you for your continued support.

Kind regards

K Muncaster
